

Web Site SHOWCASE 2010

Four Color Printed Directory

REACH THE GROWING NUMBER OF ONLINE SPORTSMEN AND RETAILERS.

While the Internet has transformed how the world does business, it hasn't eliminated the constant necessity to secure new business. How can you make sure your Web site actually attracts the widest range of potential customers?

Only One Of Its Kind

The answer is simple; advertise to over 500,000* active shooters and sports enthusiasts, and over 22,000 Type 01 FFL retailers. Reach the competitive shooting market, the hunting market, the law-enforcement market, the home-defense market and the collectible market all with one

magic stroke. How? By highlighting your Internet home page in the **Firearms Marketing Group 2009 Web Site Showcase**.

It's Easy To Sign Up

To reserve your spot in any of the magazines, just give us a call or fax this completed form back to us. All we need is your site address. We'll then download your homepage and print it in full color.

Remember, space is limited. So, to reserve your place in our **2010 Web Site Showcase**, contact your sales representative today!

*Based on ABC-audited circulation and the estimated pass-along readership of GUNS and American Handgunner.
